

## 18 - Les effets

Explorer les effets vectoriels

### l'onglet Stylise :

Crop Shadow = Ombre

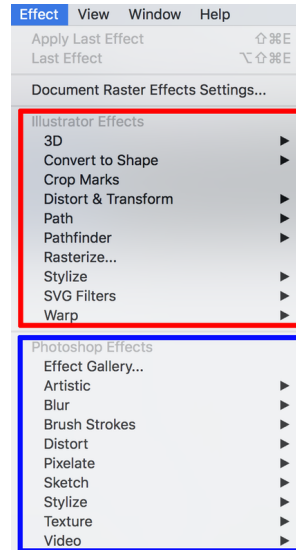

Feather = flou

Inner Glow = flou extérieur

Outer Glow = flou intérieur

Round Corners = coins ronds

Scribble = gribouillage

Most of these effects are vector based (scalable) and can be converted to editable shapes.

**ALL** of these effects are rasterized (pixel based) direct from Photoshop.

None of these effects are vector based
